Thoughts from Pastor

Thank You! Thank You!
Thank you for faithfulness in ministry this past year. It has been a hard year for many for various reasons, namely Covid-19. Yet, through it all you have remained committed to doing the work that our Lord calls us to: you have been there for each other, you have continued your financial donations, you have given gifts to help migrant workers, gifts for residents of an assisted living home for the differently abled, clothing and other items for the Atlantic City Rescue Mission, and food for our holiday food baskets. All of this while dealing with a pandemic and being quarantined from each other.

In these strange times, God continues to be with us. God

continues to work with and through us. We are truly blessed and I am so thankful for that. I am thankful for all of you.

I pray that we all may come into 2021 with a sense of hope and promise. Yet, no matter what happens we will continue to move forward in God's love and grace. We will continue to be St. James and we will continue to do ministry in our community and beyond. And someday - hopefully not too long in the future we will be able to gather together physically and not virtually.

Let us continue to pray for each other and for our ministry. Let us give thanks to God for it. Let us pray for our ministry to continue as God wills it. Let us walk boldly with God's Spirit into the future.

Let's us remind them that they are still an important part of our congregation.
